

## *Busy month, but nothing newsworthy*

April kept us busy, really busy. We didn't even have a few hours to spare the entire month to do anything!

Everything done was just standard business stuff however, so nothing new and exciting happened.

In the upcoming months we may be moving our headquarters, perhaps needing more employees, more advertising campaigns . And if we're really lucky a public gathering in town to draw in people from all around!

Other than that, we don't know what all will be upcoming in the next months. Of course the potential

headquarter move is the main reason.

But until then, and even then, it's still business as usual.

We hope to see you all at the gathering -- if we have one!

### New & Upcoming

- New Headquarters?
- More Employees?
- Public Gathering?

We don't know! That's right, the future for the next few months is completely up in the air.

## *What's with the "ankh" anyway?*

No we aren't a religious affiliated corporation! Even if we may seem like a caring, religious bunch — religion isn't the reason for our policies.

An "ankh" is an Egyptian

symbol, it's on many, if not most, of their hieroglyphics in tombs, and is simply, "life", "eternal life" or even "give life". And we like the way it looks.

*Ankh — Life*

## *Hear a rumor? (Seen or Heard About Us?)*

If you've heard about us someplace online, in a paper, magazine, news media — please tell us! Unfortunately companies are sometimes the last ones to know when they're featured someplace!

Shocking to you I'm sure, but there's nothing quite like having about 500x the number of inquiries in a day to really send you rushing! And that happened to us in January when a popular magazine recommended one of our software programs to a few million people without warning.

We didn't mind, but had we of

known, we would have prepared for it.

So if you've heard of us somewhere, tell us. If you haven't — tell your local media agencies about us, and see if they might not want to do a little story on us.

We do have clients all over the world — 99.99% of our clients aren't even within 300 miles of our office!

Since we're online, the world is local — Everywhere's Local.

Tell your friends.

*Of course if you've heard the nasty rumor that we exploit the masses by using free classifieds, make an offer pricing, and 35% profit giving just to get free advertising places — how'd you hear that? We haven't started it yet!*
