

Alcove Job Fair

On June 23, the alcove held a job fair in Robinson, IL at the community center. Based on weather reports, hot, humid and scattered thunderstorms, the event was held at the community center.

Surprisingly, a few places that

did confirm showing up didn't. That tossed in with a major company in town not returning our calls, yet accepting applications (750 of them we were told), as well as the first death in our county for the war returning that day drastically hurt attendance.

But all in all, it went off without problems, and we'd like to thank all those who made the day possible.

Upcoming Events

While the next alcove event most likely won't be until November/December of this year, qrsevlo will most likely be attending other pre-existing events in the area between now and then.

Specifically the Harvest Festival in Robinson, and the Fall Follies in Oblong.

Of course we may find other events to attend, but those are some we're aware of.

We are considering organizing events in other cities and states -- that we may or may not be attending ourselves! While this would be a lot harder to do, we are accepting ideas of what type of events might be useful.

Our goal is to slowly spread out, and organizing useful community events is a good way to do so.

On a side note, qrsevlo is starting preliminary checks into expanding our divisions.

What's with the "ankh" anyway?

No we aren't a religious affiliated corporation! Even if we may seem like a caring, religious bunch — religion isn't the reason for our policies.

An "ankh" is an Egyptian

symbol, it's on many, if not most, of their hieroglyphics in tombs, and is simply, "life", "eternal life" or even "give life". And we like the way it looks.

Ankh — Life

Hear a rumor? (Seen or Heard About Us?)

If you've heard about us someplace online, in a paper, magazine, news media — please tell us! Unfortunately companies are sometimes the last ones to know when they're featured someplace!

Shocking to you I'm sure, but there's nothing quite like having about 500x the number of inquiries in a day to really send you rushing! And that happened to us in January when a popular magazine recommended one of our software programs to a few million people without warning.

We didn't mind, but had we of

known, we would have prepared for it.

So if you've heard of us somewhere, tell us. If you haven't — tell your local media agencies about us, and see if they might not want to do a little story on us.

We do have clients all over the world — 99.99% of our clients aren't even within 300 miles of our office!

Since we're online, the world is local — Everywhere's Local.

Tell your friends.

Of course if you've heard the nasty rumor that we exploit the masses by using free classifieds, make an offer pricing, and 35% profit giving just to get free advertising places — how'd you hear that? We haven't started it yet!
