

Nothing new

While it is, was, and all that, going to be a busy month in activities, almost all company actions this month were halted due to our clients and people we work with being out of office most of the month.

We were trying to get together information for this newsletter, however, nothing of any importance happened.

Given everything, there will be no news the entire month of December.

What's with the "ankh" anyway?

No we aren't a religious affiliated corporation! Even if we may seem like a caring, religious bunch — religion isn't the reason for our policies.

An "ankh" is an Egyptian

symbol, it's on many, if not most, of their hieroglyphics in tombs, and is simply, "life", "eternal life" or even "give life". And we like the way it looks.

Ankh — Life

Hear a rumor? (Seen or Heard About Us?)

If you've heard about us someplace online, in a paper, magazine, news media — please tell us! Unfortunately companies are sometimes the last ones to know when they're featured someplace!

Shocking to you I'm sure, but there's nothing quite like having about 500x the number of inquiries in a day to really send you rushing! And that happened to us in January when a popular magazine recommended one of our software programs to a few million people without warning.

We didn't mind, but had we of

known, we would have prepared for it.

So if you've heard of us somewhere, tell us. If you haven't — tell your local media agencies about us, and see if they might not want to do a little story on us.

We do have clients all over the world — 99.99% of our clients aren't even within 300 miles of our office!

Since we're online, the world is local — Everywhere's Local.

Tell your friends.

Of course if you've heard the nasty rumor that we exploit the masses by using free classifieds, make an offer pricing, and 35% profit giving just to get free advertising places — how'd you hear that? We haven't started it yet!
