

Waiting to hear about expansion

Well, after months it should finally be here — the people needing to get the information about our desired expansion said they actually received the info (apparently over the past months when were waiting, they never received it).

They'll be looking over the info and seeing what can be done. So, if all goes well, this month we'll be implementing our expansion goals!

Which would be extremely useful overall to the communities where we're planning on expanding (Chicago area). While the "headquarters" will be in Robinson, IL still for a while, there's no room for growth here.

As it is, a supercenter came to town that's open 24/7. Two

stores have already closed down because of it, and many others are relocating away from the store (rent/building prices doubled). Local businesses are deciding whether to close down or not. Not a pretty sight overall.

Now we were wanting to help out our town here. But, they wanted no part of it. We can't advertise, nor list any contact information in the media for anything (even non-advertising, community based things that we sponsor).

So as mentioned before, we're basically done with the town we're in.

While details of how we will (hopefully) be expanding aren't available yet, be certain that we will know something by next month.

If all goes well, the next issue will highlight the new divisions and services that we'll be offering!

Or, it might be "we're looking at..." as we try for another city.

As a happy note for us. This marks the 1 year anniversary of qrsevlo, Inc. being in existence!

New & Upcoming

- Desired Expansion Info should be received this month!

What's with the "ankh" anyway?

No we aren't a religious affiliated corporation! Even if we may seem like a caring, religious bunch — religion isn't the reason for our policies.

An "ankh" is an Egyptian

symbol, it's on many, if not most, of their hieroglyphics in tombs, and is simply, "life", "eternal life" or even "give life". And we like the way it looks.

Ankh — Life

Hear a rumor? (Seen or Heard About Us?)

If you've heard about us someplace online, in a paper, magazine, news media — please tell us! Unfortunately companies are sometimes the last ones to know when they're featured someplace!

Shocking to you I'm sure, but there's nothing quite like having about 500x the number of inquiries in a day to really send you rushing! And that happened to us in January when a popular magazine recommended one of our software programs to a few million people without warning.

We didn't mind, but had we of

known, we would have prepared for it.

So if you've heard of us somewhere, tell us. If you haven't — tell your local media agencies about us, and see if they might not want to do a little story on us.

We do have clients all over the world — 99.99% of our clients aren't even within 300 miles of our office!

Since we're online, the world is local — Everywhere's Local.

Tell your friends.

Of course if you've heard the nasty rumor that we exploit the masses by using free classifieds, make an offer pricing, and 35% profit giving just to get free advertising places — how'd you hear that? We haven't started it yet!
